

Why choose Cigna Senior

We understand life doesn't always slow down after the age of 60. We can help your customers live their lives with confidence and peace of mind, whether they're approaching or enjoying retirement, or even moving countries to start a new chapter. With this in mind, we have specially created a bundle for those aged 60 and above.

What's included in the bundle?

We welcome applications up to any age:

We do not place an age limit on applications, at point of sale or at customers renewal.

Lifetime guaranteed renewability:

Claims history won't impact customers renewal premium

Healthy Ageing:

Encouraging our customers to make the best choices for improving their health and vitality

Dedicated benefits for our senior customers:

We'll support our customers to better understand, manage, and improve any chronic conditions

Clinical Case Management programme:

we can give our customers support and assistance from our dedicated nurses and doctors if they are diagnosed with a complex condition.

Support for you and your customers

Flexible health plans Customers can adjust premiums to suit their budgets by choosing optional deductibles and cost share options

Global Telehealth Service We've made it easy to access healthcare advice from wherever your customers might be in the world
